ESTABLISH AN ENDOWMENT

The first step to investing in the future of your community is to leave a legacy by establishing an endowment with Family Foundation of Southwest Louisiana. Your gift will support family life and build a stronger community for years to come.

Endowment options available are:

Visionary	\$100,000
Leader	\$50,000
Champion	\$25,000
Society	\$10,000

Upon receipt of the first \$2,000 toward your endowment, your name (or the name you designate for your fund, such as a family member, foundation, business, or organization) will be added to the Family Foundation Wall of Honor.

Endowments may be made anonymously and may be unrestricted or restricted to benefit a Division of Family & Youth, a family service organization established in 1970.

For more information on endowments, or other ways to Make an Impact, call 337-436-9533, or visit www.fyca.org.

Thank you for making the future of Southwest Louisiana a priority.
