(Lake Charles)— Family & Youth was presented with a \$10,000 donation from Phillips 66 in support of children and families experiencing grief and severe trauma.

The donation from Phillips 66 will directly benefit the Shannon Cox Counseling Center Grief and Trauma Initiative. The Shannon Cox Counseling Center, a Division of Family & Youth, is a safe place where children can express their emotions and address their traumatic experiences. Our goal is to work with children to help them move on their road to recovery.

“The pandemic has affected all sectors of our society. With Family and Youth’s sharp uptick in cases, Phillips 66 hopes our donation will strengthen the agencies’ ability to provide aid to those dealing with stress and trauma,” said Richard G. Harbison, Phillips 66 Lake Charles Manufacturing Complex General Manager.

“Continued cancellations of our fundraising events and activities creates a tremendous gap in services to children affected by grief and severe trauma. Thanks to Phillips 66’s partnership, services to children, especially during these difficult times, will continue without interruption,” said Julio Galan, Family & Youth CEO.
