Cameron LNG Employees Support Children in Foster Care Through Toy Donations

LAKE CHARLES – Embracing the holiday season of giving, Cameron LNG employees donated toys for children in foster care served through Court Appointed Special Advocates (CASA), a Division of Family & Youth. Their generosity will help make the season brighter for children receiving CASA services.

Cameron LNG is a global business with deep roots in Southwest Louisiana (SWLA). Over the past 20 years, Cameron LNG has invested approximately \$4.4 million in local nonprofits, supporting initiatives that drive prosperity, growth, and community well-being. During the holiday season, they launch an annual Season

of Giving initiative, which makes a meaningful impact in the SWLA community, including the Cameron LNG Giving Tree, in which employees donate Christmas gifts to local children of all ages.

CASA volunteers speak in court for a child’s best interest. Judges appoint a CASA volunteer to an abused or neglected child who has been removed from his or her home. The CASA volunteer helps to ensure that the child receives appropriate care, whether from a foster home or relative’s home, while he or she is in the court system. Volunteers are trained and supported by the CASA staff at Family & Youth.

Family & Youth, and award-winning organization, was established as a nonprofit family serving organization in 1970. It is the mission of Family & Youth to provide affordable and professional support through programs and services dedicated to advocacy, counseling, and education for the people of Southwest Louisiana and in communities we are called to serve. It is the belief of Family & Youth that all individuals and communities possess the ability to solve their own challenges when support of available.
