LAKE CHARLES – L'Auberge Casino Resort Lake Charles presented a check of \$26,498.00 to the Children's Advocacy Center, a Division of Family & Youth, following their presenting sponsorship of Tasting on the Terrace: An Evening in Support of the Children's Advocacy Center.

Since opening in 2005, L'Auberge Casino Resort has been a vital community partner in Southwest Louisiana. In addition to being a premier resort destination in Louisiana, L'Auberge is committed to continuing to support local non-profit organizations that promote community development, education, human services, cultural affairs and diversity, health services, and programs that provide support and services to veterans, active members of the military, and their families.

Annually, Family & Youth serves over 500 child victims and coordinates services for children who have been reported as sexually or severely physically abused. Family & Youth's comfortable environment and well-trained staff work together with area prosecutors, law enforcement agents, child protection investigators, social service workers, therapists, victims' advocates, and medical professionals to investigate child abuse allegations and reduce the number of investigative interviews typically experienced by our young victims.

Family & Youth, an award-winning organization, was established as a nonprofit family serving organization in 1970. It is the mission of Family & Youth to provide affordable and professional support through programs and services dedicated to advocacy, counseling, and education for the people of Southwest Louisiana and in communities we are called to serve. It is the belief of Family & Youth that all individuals and communities possess the ability to solve their own challenges when support is available.
