2025 ANNUAL REPORT

Family & Youth Counseling Agency (Family & Youth), an award winning nonprofit organization, was established in 1970. For over 55 years, it has been our mission to provide affordable and professional support through programs and services dedicated to advocacy, counseling and education for the people of Southwest Louisiana and in communities we are called to serve.

As the needs of our community evolved, so did the way Family & Youth serves.

Over the years, new divisions were integrated to reduce barriers and expand access of necessary services, forming what is now an umbrella agency of eight divisions.

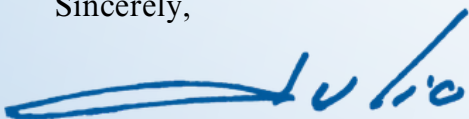

This integrated model allows children, individuals, and families to receive comprehensive, coordinated care and support through advocacy, counseling, and education, all in one place.

It is thanks to you, our friends, partners and contributors, that Family & Youth is able to provide these vital services in our community to anyone in need.

Moving forward, Family & Youth intends to keep growing, keep adapting, keep innovating, and keep making an impact for the individuals, children, and families who need us most.

The impact Family & Youth has made in the past 55 years has given individuals, children, and families the support to solve their own challenges and live full and healthy lives, and we couldn't have done it without all of you.

Sincerely,

Julio Galán
